

## My document heading

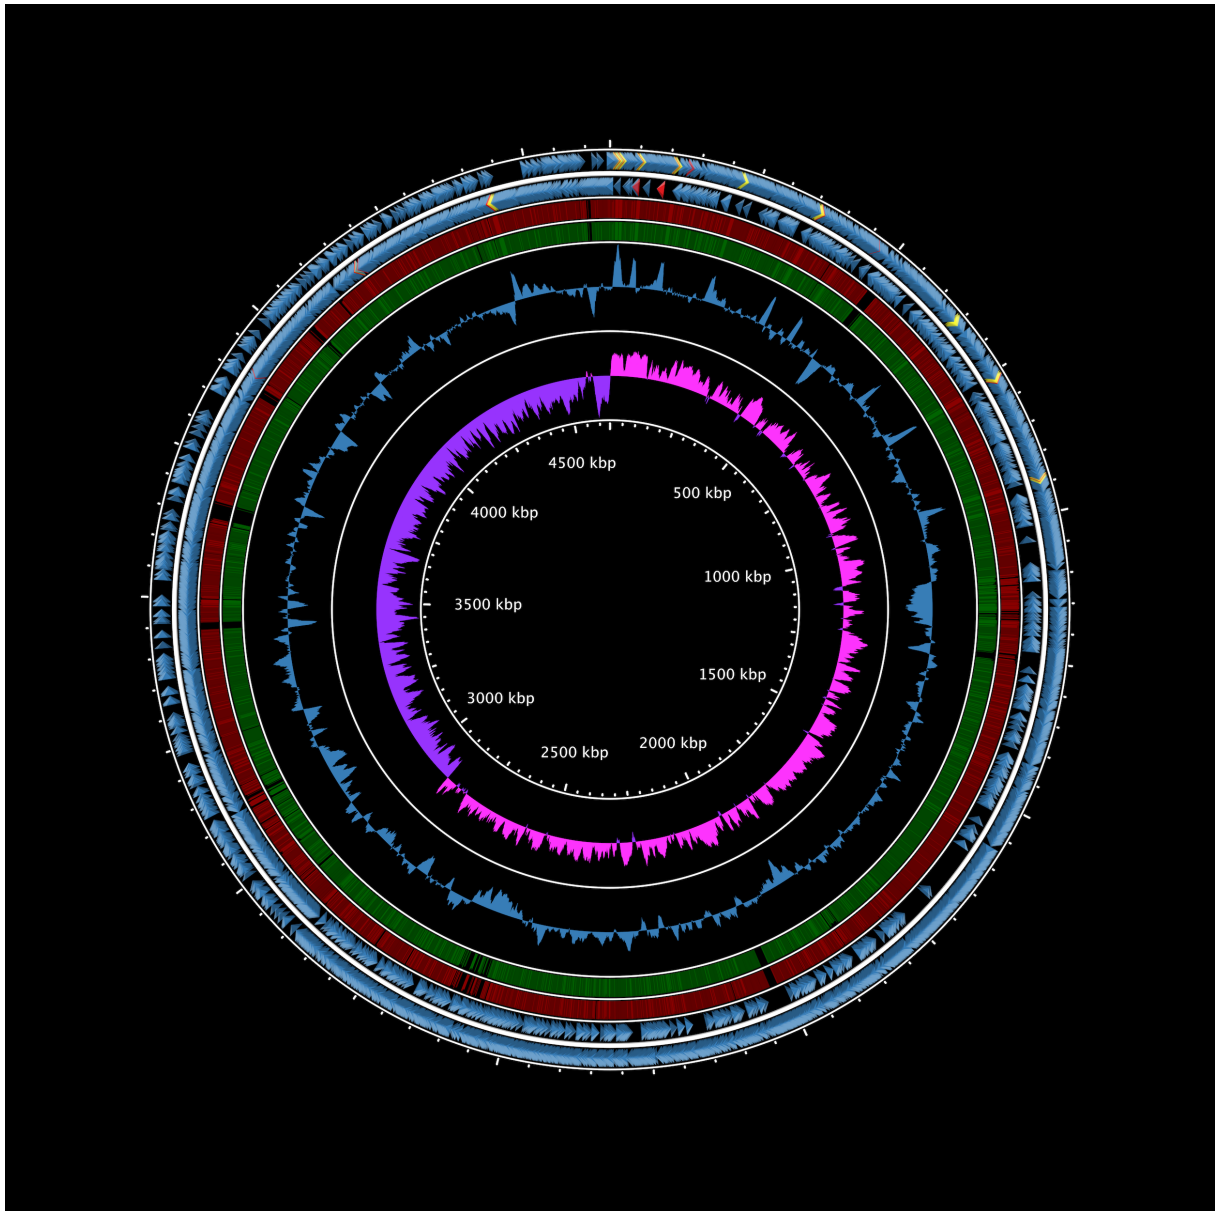

This is a sample document. It is written in Markdown and will be converted to HTML and PDF using Pandoc.

```
echo "Hello World!"
```

Download the data associated with this tutorial using:

```
$ cd ~  
$ wget \  
"https://www.google.ca" \  
-O another_document.tar.gz  
$ tar xvzf another_document.tar.gz
```

Here is a sample image:
